**B.Com. Business Process Management**  
**[TCS Patroned]**

The **B. Com Business Process Management an Industry Integrated Programme** at Patkar-Varde College, designed in **collaboration with Tata Consultancy Services (TCS)**. This unique curriculum is tailored to bridge the gap between academia and industry, ensuring our students are equipped with the skills and knowledge demanded by today's dynamic business landscape.

Our partnership with TCS means that every semester, students engage with **specialty crafted courses** developed by **TCS experts**. These courses are delivered by our faculty, who undergo **rigorous training and certification from TCS**, ensuring that our teaching is aligned with the **latest industry practices and trends**.

The primary goal of this programme is to nurture professionals who can seamlessly integrate into various sectors. We focus on enhancing communication abilities, instilling entrepreneurship acumen, and fostering strong decision-making capabilities amongst our students.

Our partnership with TCS means that every semester, students engage with **specialty crafted courses** developed by **TCS experts**. These courses are delivered by our faculty, who undergo **rigorous training and certification from TCS**, ensuring that our teaching is aligned with the **latest industry practices and trends**.

The primary goal of this programme is to nurture professionals who can seamlessly integrate into various sectors. We focus on enhancing communication abilities, instilling entrepreneurship acumen, and fostering strong decision-making capabilities amongst our students.

**Practical exposure** is a cornerstone of our programme. Through **case studies, projects, presentations, industrial visits, and interactions with industry experts**, students gain **hands-on experience that complements their theoretical learning**.

Our curriculum covers a diverse range of subjects, including Banking, Financial Services and Insurance, Financial Accounting, Taxation, Finance, Cost Accounting, Marketing, Business Laws, International Business, Quantitative Methods, Research, Entrepreneurial Development, Logistics and Operations Management. This comprehensive approach ensures that students acquire a well-rounded understanding of commerce education.

Upon successful completion of the programme, **students receive placement assistance from TCS, contingent on their performance in the interview process.**

Join us at Patkar-Varde College and embark on a transformative journey that prepares you to excel in the global business arena. Explore the world of commerce with us and unlock your potential for a successful career.
